OUR PRODUCTS

We can advise and arrange a broad range of insurances on your behalf including: Home Building and Contents, Private and Commercial Motor, Farm, Business Packages, Construction, Liability, Industrial and Professional covers.

RETAIL CLIENTS

Under the Corporations Act 2001 (The Act) Retail Clients are provided with additional protection from other clients. The Act defines Retail Clients as:

Individuals or a manufacturing business employing less than 100 people or any other business employing less than 20 people and that are purchasing the following types of insurance covers:

Motor vehicle, home building, contents, personal and domestic, sickness/accident/travel, consumer credit and other classes as prescribed by regulations.

Some of the information in this FSG only applies to Retail Clients and it is important that you understand if you are covered by the additional protection provided.

RETAIL CLIENT ISSUES

Typically we only provide General Advice to our Retail Clients. General Advice does not take into account your particular needs and requirements and you should consider the appropriateness of this advice to your circumstances prior to acting upon it. We will provide you with a General Advice Warning in such cases.

If you are a new Retail Client purchasing Personal Accident or Sickness insurance and obtain Personal Advice, that is, advice that takes into account your particular circumstances, we will give you a **Statement of Advice (SOA)**, that sets out the advice provided and the basis on which the advice is made and our remuneration should you purchase the product.

For existing Retail Clients we may not provide an SOA but rather provide the advice to you orally. In such cases you may request us to provide you with a Record of Advice (via phone or in writing) which we will provide to you within 28 days of such request.

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurance providers we deal with regularly.

If we recommend the purchase of a particular financial product, we will also give you a **Product Disclosure Statement** at that time, which sets out details specific to that product and the key benefits and risks in purchasing the product.

PRIVACY INFORMATION

The Privacy Act 1988 sets out standards for the collection and management of personal information. With your consent, we will only use your personal information for general insurance services. Our Privacy Policy Statement is available on our website.

Further information is available from our office, or contact AFCA directly on 1800 931 678 or visit www.afca.org.au. We also adopt the Insurance Brokers Code of Practice.

COMPENSATION

AIB hold a Professional Indemnity Policy. This policy is designed to pay claims by Third Parties (including our clients) arising out of our Professional Negligence. The policy extends to cover us for work done for us by employees after they cease to work for us and satisfies the requirements for compensation arrangements under Section 912B of the Act.

ELECTRONIC DELIVERY OF DISCLOSURES NOTICES

Please note that where possible we prefer to provide all correspondence and disclosure notices (including Financial Services Guides and Product Disclosure Statements) to you electronically, via email or links to websites etc. If you have provided your email address to us we will typically use that email address for all correspondence and disclosure notices. Should you not wish to be sent disclosure documents electronically please advise us and we will update our records accordingly.

AIB'S SOURCES OF INCOME

When placing your insurance they usually receive a commission from the insurer. The amount varies between 0% and 25% of the base premium you pay. Where a policy is cancelled before the period of insurance has ended we will usually retain the commission on any return premium involved.

If you are a Retail Client and we give you Personal Advice, commission amounts will be provided in any SOA or (where an SOA is not required to be provided) included on any relevant invoices. When we give you General Advice, full commission information (including dollar amounts) will be provided on request.

AIB has a set of standard non refundable Broker Fees that they charge you for services such as:

- Market research on products available.
- Assessing the claims service of insurers.
- Sourcing alternative quotations and coverage.
- Risk analysis and portfolio co-ordination.

All fees payable for services will be advised to you at or before the time of providing the advice or service.

AIB may receive additional remuneration from insurers with whom they have profit share or volume bonus arrangements. This remuneration is payable if they meet certain agreed sales and/or profitability targets set by the insurer. If they have profit share arrangements with an insurer that apply to a product we recommend to you, we will advise you of this at the time of making any such recommendation if the amount involved is material.

AIB retains the interest on premiums paid by you that are held in their trust account before paying the insurer.

If you pay by credit card we may charge you a credit card (incl. arrangement & handling) fee, which is disclosed and shown separately on our invoices, they are non-refundable. This fee covers the cost of bank charges etc. associated with such facilities.
